Ten Percent

"Then percent of everything you harvest is holy and belongs to me, whether it grows in your fields or on your fruit trees." Leviticus 27:30

God gives us everything and He asks us to return a tithe to Him. That means giving God one-tenth of the money we receive. You can use this page to practice. Count the coins. For every 10 that you count, colour in one of them. The coloured coins are what you would return as a tithe.

Ready for something a little more difficult? Add up the money below, then colour the coins you would return as a tithe. Remember, for every 10, you return one.
